Artemis Arrow Books, LLC was founded by Konstantinos Koskoletos, author of *The Miseries of Occupation: A Child Survivor Remembers* in 2015.

Artemis Arrow Books is a U.S.-based limited liability corporation.

*The Miseries of Occupation: A Child Survivor Remembers* was originally written in the Greek language under the title, "ΟΙ ΑΘΛΙΟΙ ΤΗΣ ΚΑΤΟΧΗΣ" and it was published by Govostis Publishing, a Greek publisher, in 2005.

The Greek version of the book was well received. Some statistics bear this out:

- Thousands of copies were sold to the general public;
- It maintained an average of a 5-star rating; and
- The book was highly recommended by publishers and other educators for inclusion in school curricula because of its historical content

In March 2016, Konstantinos Koskoletos published the English version as a self-published Create Space title available on Amazon.com.

In 2017, Artemis published its second Greek language title, "ΠΕΡΑ ΑΠ' ΤΟΥΣ ΟΡΙΖΟΝΤΕΣ" (Beyond the Horizons). An English version is coming soon.

### Praise for *Miseries of Occupation*:

"Konstantinos Koskoletos takes us on an epic journey from idyllic rural Greece through WWII

fascist invasion in the Mediterranean, with a front-and-center view of the troubled transition into the Cold War at the confused edge of US/British foreign policy and Soviet Communist conflict. The journey is of a boy, and his father, and encompasses practically every theme of importance to any western policy maker or enforcer of the past century.” --**M.**

“I choose to rate this book five star, because it truly touched my heart. Reading this book made me realized how WWII effected all humanity. At times it was very difficult to continue reading, but I continued to push on and I am glad I completed reading till the very end. For those of us that love to research history. I would have to conclude by saying - it is a must read document. Congratulations to Mr. Koskoletos for book great written.” --**EVS, 27**

**February 2017**

“Told with detailed accuracy, the story related one man's journey to find the truth behind his Uncle's betrayal and cruelty, and what really happened to his father. He describes the events matter of factly, as horrific as those events were, without embellishment. All the horrors of war, and then civil war, as seen through the eyes of a child. I was disgusted to learn the roles the British and Americans played during the Greek civil war, and would recommend this book to

anyone interested in learning more about this dark time in Greek history.” --**Science Goddess, 15 February 2017**

### **AUTHOR'S BIO**

Konstantinos Koskoletos is a survivor of the World War II Nazi occupation of Greece. In his memoir, *Miseries of Occupation*, he traces the mystery surrounding how his father came to be falsely accused of a crime and then executed with sixteen others at the hands of his fellow countrymen.

Despite his war-torn childhood, he graduated from the Archimedes Engineering Academy in Piraeus, Greece, and immigrated to America where he founded an engineering firm. Now at 80, he is retired and chronicling his memories of those early years.

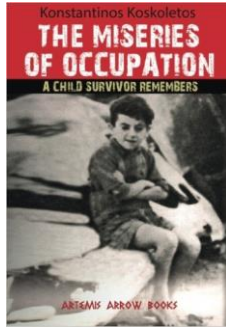

He founded Artemis Arrow Books, LLC in 2015 so that he could bring the little-known story of what he and his countrymen withstood under Nazi-occupied Greece to the general public. *Miseries of Occupation* is the first published title (available on [Amazon.com](https://www.amazon.com)) under the Artemis imprint.

A second title, *Beyond the Horizons*, is in the works.
